MARLED KNITS
BY KNIT PICKS

Double the impact of your knits by doubling your yarn! Hold two (or even three) strands of yarn together to achieve unique color and texture effects in these fourteen fun patterns. Some patterns feature the same yarn held together in different colors, playing with blending stripe designs and chunking up the weight, while others are made with two different yarns held together, adding a mohair halo to your wool base or mixing alpaca with Merino for double the luxury! Better Together will keep your needles busy with its wide variety of sweaters, accessories, and home décor projects.

UPCYCLE

Reserve Wool

Introducing our brand new line of upcycled yarns! These special, single batch skeins are spun from the remnants of other yarn, creating complex heathers and saving fibers that would have otherwise gone to waste.

This 2-ply 100% wool yarn is bouncy with beautiful stitch definition and next-to-skin softness. We love it for rugged heirloom sweaters and cozy, chunky accessories.

Each color is available for a limited time, so grab a ball ... or ten ... while you can!

COTTONS FOR SPRING

These plant-based yarns are just the thing for
lightweight tanks or cozy blankets.

A. BILLOW Our favorite bulky cotton yarn, designed with creature comforts in mind: oversized cowls and wraps, lazy weekend pullovers, and cozy blankets that hug you back. Eight plies of super soft pima cotton create a thick and thin texture for a feel that is both rustic and modern all at once.

100% Pima Cotton. **Bulky \$7.49**/100g hank (120 yds). Shown: Clarity 26227, Whisker 26987, Turmeric 26237, Ash 26233 & Natural 26222.

B. LINDY CHAIN Superbly lightweight and endlessly versatile, Lindy is a chainette yarn that is just the thing for warm weather. The linen adds a crisp stitch definition that shows off textures while adding a lovely drape and sheen.

70% Linen, 30% Pima Cotton. **Fingering \$6.49**/50g ball (180 yds). Shown: Honey 26458, Clarity 27002, Turmeric 27003, Bluebell 26460, Ash 26449 & Mist 27004.

D

C. SNUGGLE PUFF This amazingly lightweight yarn is made by blowing down drifts of Pima Cotton into a nylon mesh tube! Beautiful drape and extra snuggly softness makes this the perfect yarn for baby knits and super soft accessories!

70% Pima Cotton, 30% Nylon. **Aran/HW \$5.99**/50g ball (142 yds). Shown: Hatchling 27820 & Lamb 27823.

D. SHINE Next-to-skin soft with a stellar sheen, the combination of Pima Cotton and Modal gives each skein a lustrous depth akin to silk, but without the cost or special care silk requires!

60% Pima Cotton, 40% Modal. **\$3.99**/50g skein, **Worsted** (75 yds), **Sport** (110 yds). Shown: Clarity 26680, Sky 25353 & White 25346.

E. COTLIN & COTLIN REFLECTIONS This yarn gets softer with every wash! Belgian linen adds the characteristic flecks and additional absorbency with very low elasticity, helping to alleviate stretching in the finished cotton knits.

70% Tanguis Cotton, 30% Linen. **COTLIN DK \$4.29**/50g skein (123 yds). Shown: Swan 24134 & Carrara 27748. **REFLECTIONS DK \$12.99**/100g hank (246 yds). Shown: Cirrus 27868, Crest 27869 & Nimbus 27870.

F. COMFY & COMFY COLOR MIST The breathability and softness of natural Pima cotton allows for comfortable wearing, while the touch of acrylic microfiber adds just the right amount of elasticity to any project!

75% Pima Cotton, 25% Acrylic. **COMFY \$3.99**/50g skein, **Worsted** (109 yds), **Fingering** (218 yds). Shown: Hydrangea 28012 & Ivory 24162. **COLOR MIST \$8.99**/100g hank Worsted (219 yds). Shown: Blueprint 28074 & Notebook 28079.

MUSE™

Get inspired by the multicolor masterpieces of Muse! Available as a single-ply Heavy Worsted as well as a lighter plied Fingering weight, this superwash Merino wool yarn is the first ever Knit Picks exclusive line crafted in Japan! From vibrant pops of color to smooth tonals, each colorway provides a unique hand-painted splash of color to any project.

Muse Heavy Worsted/Aran weight is firmly twisted in a single strand, stable enough to discourage splitting and pilling while still enjoying the finish and drape of single-ply construction, with special care taken to ensure even thickness.

Muse Fingering/Sock weight is meticulously dyed by Japanese artisans, who blend and apply colors by hand to achieve a range of colors and chromatic explosions. Precise distribution of color minimizes the streaking and pooling you might see in other hand-painted yarns.

BASIC BLOCKING TUTORIAL

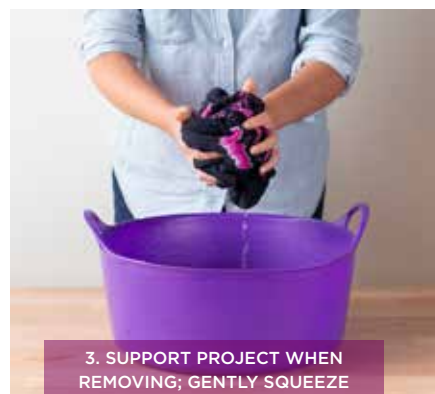

Blocking is an essential but often overlooked step in knitting. Once a project is off the needles, blocking is like waving a magic wand over your knitting to bring it from good to great — yarn blooms to incredible softness, stitches smooth out to a uniform look, and lace stitches transform to a delicate beauty.

1. FILL BASIN WITH WARM WATER & ADD RINSELESS DETERGENT

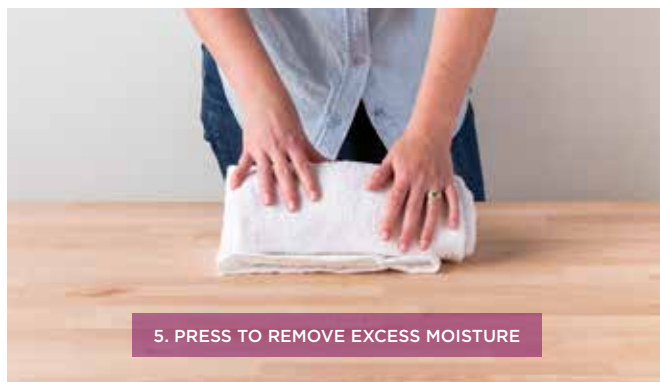

2. SUBMERGE PROJECT, SQUEEZE OUT AIR BUBBLES & REST 30 MIN.

3. SUPPORT PROJECT WHEN REMOVING; GENTLY SQUEEZE

4. LAY FLAT; ROLL IN CLEAN TOWEL

5. PRESS TO REMOVE EXCESS MOISTURE

Aluminum Interchangeable Needles

Add a splash of color to your knitting! Our brand new, lightweight aluminum interchangeable needles feature the same sharp points, flexible cables, and smooth joins as our other Options Interchangeable needles. Aluminum metal warms to your hands as you knit, and the slick metal surface allows stitches to slide off with ease. Each size is color coded and includes the needle size (in US and MM measurements) etched on each needle, making these the ultimate grab-and-go needles for any project.

PRISM ALUMINUM OPTIONS INTERCHANGEABLE NEEDLE SET {91461} \$59.99

Everything you need to knit happy! This set is packaged in a handy vinyl case and comes with all the accessories you need: 9 pairs of aluminum tips (ranging from US 4 to 11), 4 black cables (two 24", one 32", and one 40"), 8 cable end caps, 1 cable connector, and 2 cable keys.

PROJECT PLANNING MADE **EASY!**

Our brand new Deluxe Knitting Journal has everything you need for perfectly planned projects in one place! You'll find graph and lined paper, project planning pages, a section for noting friends' and family measurements, and a thorough glossary too!

PERFECT NEEDLES FOR EVERY PROJECT

We're here to help you do what you do best: Create.

Creating the best projects means not only having access to the best materials at the best prices, but the best tools as well. And as knitters just like you, we strive to bring you needles that we're as excited to use as we are to sell.

Fixed Circulars These needle tips are permanently connected to cables of a specific length, which is especially useful in smaller gauge projects, like lace and socks. *Individual needles start at \$5.59 **save 20%**.*

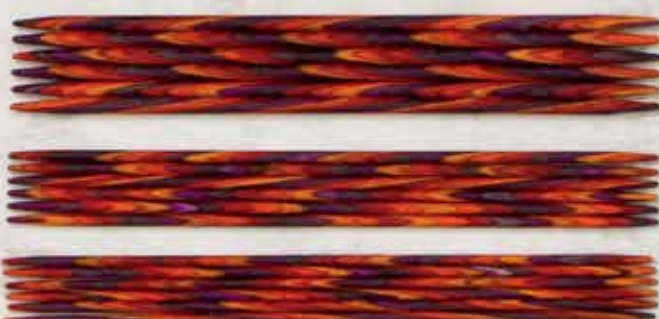

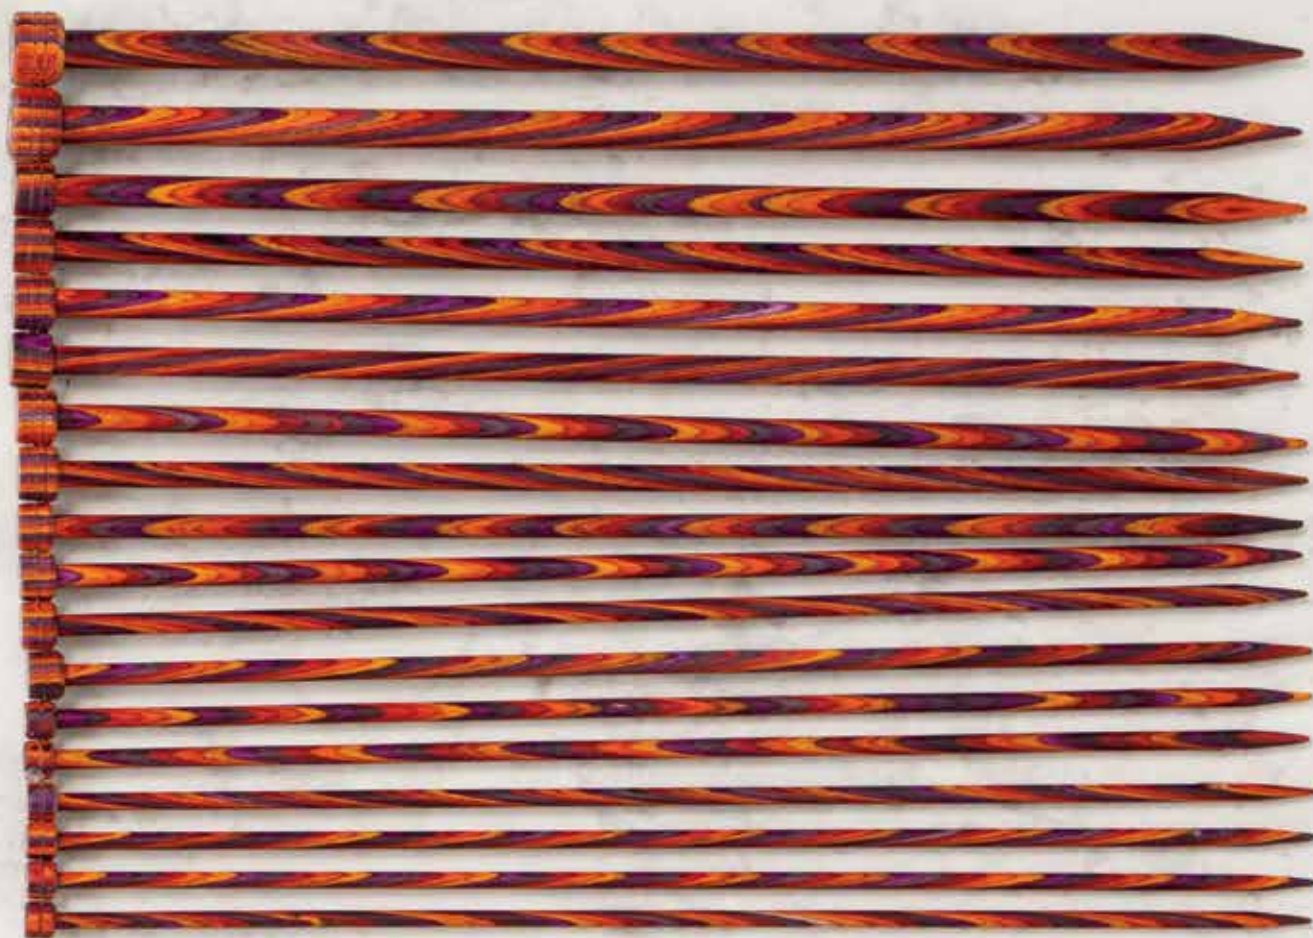

**See back cover for details*

Short Interchangeables Shorter tips and special length cables designed to make smaller circumference projects—like hats and sleeves—easier to manage. *Short Interchangeable Sets start at \$44.99. Short Individual needles start at \$4.39 **save 20%**.*

Interchangeable Circulars The foundation of the modern knitter's toolbox. Detachable needle tips and cables interchange to form a wide range of gauges and lengths on demand. *Sets start at \$55.99. Individual needles start at \$4.79 **save 20%**.*

Straight Needles These ARE your grandmother's needles. Elegant and simple, tried and true. For basic flat knitting, sometimes the classic methods are the best. *Sets start at \$56.99. Individual needles start at \$4.39 **save 20%**.*

Double Pointed Needles Featuring tapered points at both ends for a classic solution to circular knitting, especially small circumferences like socks. *Sets start at \$24.99. Individual needles start at \$4.79 **save 20%**.*

Choose Your NEEDLE STYLE

Whether you love the waves of color in our laminated birch needles or the slick surface of nickel, we have everything you need to knit happy!

With hundreds of variations at your fingertips, you can swiftly create the perfect needle for any project using our Interchangeable Options tips and cables. Buy pieces individually, or save when you purchase a full interchangeable set.

Our **nickel-plated needles** have a slick, glass-like surface which allows your stitches to move freely, while the hollow brass tube is extremely lightweight for hours of comfortable knitting.

If **laminated birch needles** are more your style, we have 3 vibrant colorways to choose from. The smooth, burnished surface of our wood needles are perfectly balanced with just the right amount of grip, which works wonders for working with slick fibers like mohair, silk, and angora.
